NATIONAL ANTHEMS

Nigerian Anthem

*Arise, O compatriots,
Nigeria's call obey
To serve our Fatherland
With love and strength and faith.
The labour of our heroes past
Shall never be in vain,
To serve with heart and might
One nation bound in freedom,
peace and unity.*

*O God of creation
Direct our noble cause
Guide our leaders right
Help our youth the truth to know
In love and honesty to grow
And living just and true
Great lofty heights attain
To build a nation where peace
And justice shall reign.*

The Star-Spangled Banner American National Anthem

*O say can you see by the dawn's early light,
What so proudly we hailed at the twilight's last gleaming,
Whose broad stripes and
bright stars through the perilous fight,
O'er the ramparts we watched, were so gallantly streaming?
And the rockets' red glare, the bombs bursting in air,
Gave proof through the night that our flag was still there;
O say does that star-spangled banner yet wave,
O'er the land of the free and the home of the brave?*

Immaculate Conception College Anthem

- 1. Our School's Conception College
And it's placed in Benin Town
A place that is rich in history
For many miles around
We built our school upon a moat
And having placed it there
We named it after Mary's Might
And sought her loving care.*
- 2. The students come from miles around
To lean and work and play
And yet there's time for everyone
To learn and read and pray
There's joy and fun and happiness
And peace, a shining, through
Because we're placed beneath the shade
Of Mary's mantle blues.*
- 3. The days go by and students too
Exams are passed and then
The boys no longer stay as boys
They take their roles as men
But still they live and still they pray
And keep in mind always
That they're beneath God's Mother's love
As in their student's days.*

The College Popular Hymn

*We stand for God, and for His glory
The Lord Supreme and God of all
Against his foes we raise His standard
Around the Cross we hear His call
Strengthen our faith, Redeemer
Guard us when danger is night
To thee we pledge our lives and service
Strong in a trust that ne'er shall die
(Repeat last two lines)*

Welcome Address

ICCOBA TEXAS CHAPTER

On behalf of ICCOBA Texas, we welcome you to Dallas for ICCOBA North America's 6th Annual convention. We are filled with gratitude and admiration as we unite to honor everyone who has graced this convention with your presence and time. This convention is a testament to the enduring bonds that bind us and transcend generations of Immaculate Conception College graduates.

This convention will be our first post-pandemic one. We have much to celebrate together as we also remember some of our fellow ICCOBITES that succumbed to it.

To my fellow organizing committee members (Ekupke, Babatunde, Best, and Muyi), I extend my most profound appreciation for your unwavering dedication, passion, and tireless efforts in bringing this convention to fruition.

We cannot thank our outgoing president Sunday Uwumarogie enough for his unwavering support, engagement, leadership, and, most of all, his attention to detail in each planning phase for this convention.

There is a lot to do here at Big D in exploring historic sites in the city. The organizing committee would be available to help in any way possible to ensure that we all have a good time here in Dallas and set the bar high for the next host of our convention in July 2024.

May this convention allow us to reconnect, share experiences, and celebrate the shared journey of ICC that binds us as ICC Old Boys. This is also a time to reminisce about the moments that shaped us, the friendships that have withstood the test of time.

Once again, on behalf of the Texas organizing committee and ICCOBA NA leadership, I would like to thank each of you for your time and attendance at our convention. We are honored to have you here.

Ehigie Garvey Omorodion, ICC 1976
Chair, Convention Planning Committee, 2023

Welcome Address

President, ICCOBA NA

Good evening!!! The guest speaker, special guests, distinguish guests, the worldwide president, members of the various chapters of ICCOBA from Nigeria, members of ICCOBA North America, ladies, and gentlemen, it is with great delight and privilege that I welcome you all to this 2023 6th ICCOBA North America Convention in Dallas Texas USA. Special welcome to members of our ICCOBA Canada Chapter. We are happy to have you here today. Congratulations on your inauguration as an ICCOBA Chapter. Once again! On behalf of the executive team, I welcome everyone to the 2023 ICCOBA NA Convention.

The executive members of the ICCOBA North America in collaboration with members of ICCOBA Texas Chapter have put in the efforts to prepare this convention. My thanks to the local organizing committee chairman Dr. Garvey Ehigie Omorodion and the honorable committee members for exceptional work in making sure that our delegates, their wives and children and other guests will have rewarding and delightful experiences in the "BIG D" (Dallas). Thanks for your determination to make this weekend memorable.

The current executive team has been in office since 2019. Their term has come to an end after four years of exceptional service to our association. As the president, I am humbly proud of the extraordinary achievements of this team. I thank every member for the passion they brought in service for our association. They are men of impetuosity in their love for the association. It is their individual purposefulness and avidness in carrying out the responsibilities of their respective offices that have led to the tremendous growth this association has experienced in the past four years. Thank you, my fellow executive team members, for your commitment and dedi-

cation to the association. Your passion and purposefulness were instrumental in moving this association to its current level of productivity.

My special thanks to the members of the board of trustees for their unwavering financial support of ICCOBA North America. You are the foundational resource of this honorable association. Thank you to all our members who devotedly paid their annual dues.

The executive and I appreciate your sacrifice. The focus of this executive team has been to increase the financial resources of this association and make sure all monies received are judiciously utilized for the advancement of the association's vision, mission, goals, and objectives. And more importantly, to uphold sound and transparent financial accounting of our records. It is my pleasure to inform you that we have successfully achieved that goal.

This convention, as in the past, is to celebrate all of you, our members, your wives, children, and guests. Please relax, make yourself comfortable and enjoy your experiences. Thank you for all you have done to support our alma mater. We pray that during the fundraising you will donate generously to our scholarship program which is designed to support the current students in our alma mater.

Once again, thank you all for being here today and welcome to Dallas, Texas. I pray that you enjoy your stay and that your experiences are pleasurable.

Thank you,

Sunday Uwumarogie
President

A Brief History of Immaculate Conception College (ICC)

Immaculate Conception College (ICC) is in Benin City Edo State, Nigeria. The city is capital to both the current Edo state of Nigeria, and the old Benin kingdom of West Africa. Immaculate Conception College was established in 1944 by the then Catholic Bishop of Benin City, Bishop Patrick Kelly along with Rev. Andrew O'Rourke who later became its first principal.

The initial site of the school was along airport road in Benin City where St. Paul's Minor Seminary is currently situated today. Upon its inauguration, the school was accredited as an elementary institution. Students' enrollment in the first year of thirty. Those who completed their elementary education requirements were later sent to St. Patrick's College Asaba, in current Delta state to complete their secondary education course work.

After ten years of demonstrating excellence in teaching and learning, the school in 1954 was accredited as a secondary institution. Immaculate Conception College has consistently recruited and maintained a high-quality staff. The reverend administrators selected by subsequent Catholic Bishops to run the school over the years, have demonstrated their commitment to excellence in teaching and learning, as well as inculcating sound moral values in their students. Today, the school is well known as a place to acquire the necessary skills and knowledge for work after secondary education, and for university education within or outside the African Continent.
