# NATIONAL ANTHEMS

## **NIGERIA'S NATIONAL ANTHEM**

*"Nigeria we hail thee,  
Our own dear native land,  
Though tribe and tongue may differ,  
In brotherhood we stand,  
Nigerians all, and proud to serve  
Our sovereign Motherland.*

*Our flag shall be a symbol  
That truth and justice reign,  
In peace or battle honour'd,  
And this we count as gain,  
To hand on to our children  
A banner without stain.*

*O God of all creation,  
Grant this our one request,  
Help us to build a nation  
Where no man is oppressed,  
And so with peace and plenty  
Nigeria may be blessed."*

## **Immaculate Conception College Anthem**

*1. Our School's Conception College  
And it's placed in Benin Town  
A place that is rich in history  
For many miles around  
We built our school upon a moat  
And having placed it there  
We named it after Mary's Might  
And sought her loving care.*

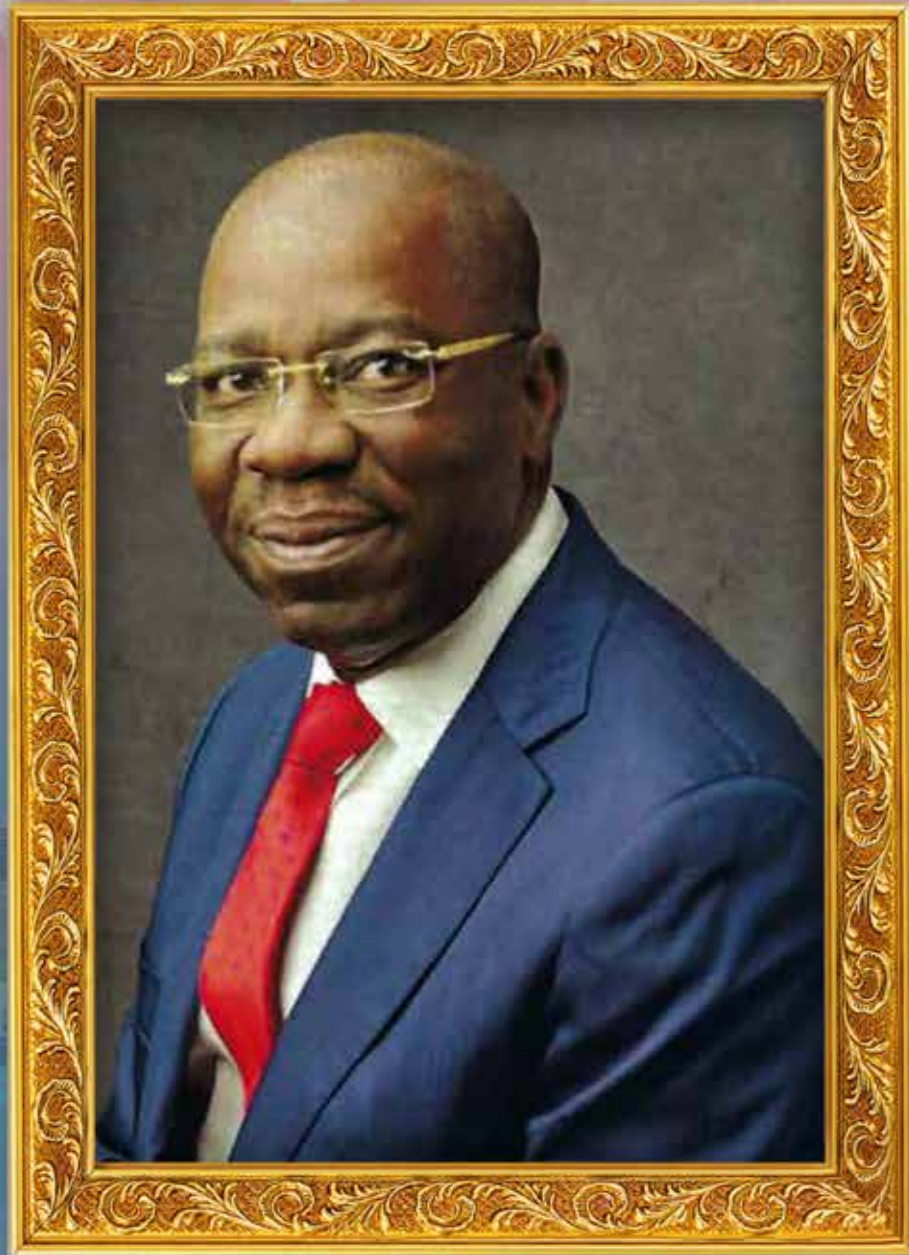

*2. The students come from miles around  
To lean and work and play  
And yet there's time for everyone  
To learn and read and pray  
There's joy and fun and happiness  
And peace, a shining, through  
Because we're placed beneath the shade  
Of Mary's mantle blues.*

*3. The days go by and students too  
Exams are passed and then  
The boys no longer stay as boys  
They take their roles as men  
But still they live and still they pray  
And keep in mind always  
That they're beneath God's Mother's love  
As in their student's days.*

## **The College Popular Hymn**

*We stand for God, and for His glory  
The Lord Supreme and God of all  
Against his foes we raise His standard  
Around the Cross we hear His call  
Strengthen our faith, Redeemer  
Guard us when danger is night  
To thee we pledge our lives and service  
Strong in a trust that ne'er shall die  
(Repeat last two lines)*

# WELCOME ADDRESS ICCOBA CANADA CHAPTER PRESIDENT

Good evening esteemed delegates, alumni, and guests!

As the President of our beloved old school alumni association, it is my great pleasure to welcome you all to this year's convention. It is truly a privilege to see so many familiar faces and to have the opportunity to reconnect with old friends and classmates.

Our school holds a special place in all of our hearts, as it was the place where we forged lifelong friendships, learned valuable lessons, and laid the foundation for our future success. As alumni, we carry with us the traditions and values that were instilled in us during our time at school, and it is important that we continue to uphold and celebrate these ideals.

This convention is a time for us to come together, reminisce about old times, and share our accomplishments since graduating. It is also a time for us to discuss ways in which we can give back to our alma mater and support the current students who are following in our footsteps.

I am proud to see the dedication and passion that each of you brings to this convention, and I am confident that together we can make a positive impact on our school and our community. Let us use this opportunity to strengthen our bonds, inspire one another, and continue to uphold the legacy of our alma mater.

Thank you all for being here tonight, and I look forward to a productive and memorable convention. Let us make our school proud!

Welcome, delegates, to our old school alumni convention!

Babatope Atafu Esq  
President  
ICCOBA Canada Chapter

# WELCOME ADDRESS PRESIDENT, ICCOBA NA

Good evening!!! Distinguished guests, the worldwide president, members of ICCOBA from Nigeria, members of ICCOBA North America, ladies, and gentlemen, I am ecstatic to see and welcome you to this 2024 7th ICCOBA North America Convention in Toronto, Canada.

Welcomed to the first official ICCOBA North America convention in Canada. It has been 11 years (October 2013) since ICCOBA North America came to Toronto, Canada for a general meeting. We thank the local organizing committee chairperson of that general meeting Mr. Tony Eguavoen and his team for their courtesy and hospitality.

No one thought it would take eleven years to be back in Toronto. The persuasiveness to return to Canada was made possible by non-other than Chief Chris Omoregie Inneh. Chief Inneh puts his reputation on the line as regards "the push" to return to Canada. He promised to organize a befitting chapter for Canada followed by a convention. We are here today because he promised and subsequently delivered. After today, Canada will be the envy of the other chapters. On behalf of the ICCOBA North America executive, general members, board of trustees and president, we thank you Chief Inneh. Your excellence speaks loudly.

The theme of this convention is "Sustainable Development". As leaders and iccobites we are asked to engage in planning that attempts to balance the needs of present and future generations of our alma mater and society with the essence of preserving, or preventing undue damage. We are very pleased to have one of our own an ICCOBITE, a Canadian as the keynote speaker, Professor Bonny Ibhawoh.

ICCOBA North America executive in collaboration with ICCOBA Canada Chapter executive and the Convention Preparation team worked hard to prepare this convention. I want to especially thank the local organizing chairperson Barr. Ogulogu Obaide and the honorable committee members for extraordinary work in making sure that our delegates, their wives and children and other guests will have rewarding and delightful experiences in the Maple Country. Thanks for your determination to make this weekend indelible for our delegates.

Another year has ended. Our fiscal year is from one convention to another (July through June). As the president, I am humbly proud of the extraordinary achievements of the current ICCOBA North America executive members. The inauguration of the Canada chapter and the success of the 2024 convention in Toronto, Canada speaks to their exceptional services to our association and marks a new height in the association trajectory of progressiveness and advancement. I thank every executive member for their love and passion for our association. It is their individual purposefulness and enthusiasm in carrying out the responsibilities of their respective offices that have led to the tremendous growth this association has experienced during the term of this administration. Thank you, my fellow executive team members, for your commitment and dedication to the association.

My special thanks to the members of the board of trustees for their unwavering financial support of ICCOBA North America. You are the foundational resource of this honorable association. Your financial support of our convention makes us less afraid to conduct a convention suitable for our association. Thank you to all our members who devotedly paid their annual dues. The executive and I appreciate your sacrifice. The focus of this executive team has been to increase membership and financial resources of this association; and make sure all monies received are judiciously utilized for the advancement of the association's vision, mission, goals, and objectives. It is my pleasure to inform you that we have successfully achieved that goal.

Also, we have worked hard to put structures in place to bring together and increase interactions among iccobites in North America and worldwide. The vehicle through which this has been done is the websites. We encourage all north America iccobites to please log in and register in both the North America website <https://iccoldboysassociation.com> and Worldwide websites <http://www.iccobaworldwide.org>. We must improve our participation in various events and connectivity with one another. It is surprising in many instances to find out that iccobites are living next doors to each other and not aware of each other and their brotherhood as iccobites. These websites will allow us to know of iccobites in our community, state and region. More importantly, these websites are linked. I strongly encourage you to log in and register.

I will be remiss if I do not thank all our members who answered the clarion call and contributed generously to support the once in a lifetime celebration. "The 80Mfor 80th. Fundraising and celebration. Your contributions helped our Alma mater to raise over 100 million naira towards the endeavor. The celebration of the 80th anniversary of our Alma mater will take place November 13 – 17, 2024 in Benin City, Nigeria. Please make plans to join the celebration.

Finally, this convention, as in the past, is to celebrate all of you, our members, your wives, children, and guests. Please relax, make yourself comfortable and enjoy your experiences. Thank you for all you have done to support our Alma mater. We pray that during the fundraising you will donate generously to our scholarship program which is designed to support the current students in our alma mater.

Once again, thank you all for being here today and welcome to Maple Country. I pray that your stay and experiences are enjoyable.

Thank you

Sunday Uwumarogie  
President  
ICCOBA North America

## A Brief History of Immaculate Conception College (ICC)

Immaculate Conception College (ICC) is in Benin City Edo State, Nigeria. The city is capital to both the current Edo state of Nigeria, and the old Benin kingdom of West Africa. Immaculate Conception College was established in 1944 by the then Catholic Bishop of Benin City, Bishop Patrick Kelly along with Rev. Andrew ORourke who later became its first principal.

The initial site of the school was along airport road in Benin City where St. Paul's Minor Seminary is currently situated today. Upon its inauguration, the school was accredited as an elementary institution. Students' enrollment in the first year of existence was only thirty. Those who completed their elementary education later sent to St. Patrick's College Asaba, in current Delta state to complete their secondary education course work.

After ten years of demonstrating excellence in teaching and learning, the school in 1954 was accredited as a secondary institution. Immaculate Conception College has consistently recruited and maintained a high-quality staff. The reverend administrators selected by subsequent Catholic Bishops to run the school over the years, have demonstrated their commitment to excellence in teaching and learning, as well as inculcating sound moral values in their students. Today, the school is well known as a place to acquire the necessary skills and knowledge for work after secondary education, and for university education within or outside the African Continent.

# HISTORY OF ICCOBA CANADA CHAPTER

In October 2013, Pastor Tony Eguavoen hosted ICCOBA North America as a way of establishing ICCOBA Canada Branch. The convention was well attended by ICCOBITES in the USA and Canada. Unfortunately, the hosting did not lead to the formation of a branch of ICCOBA in Canada.

In 2017 or thereabouts, Dr. Emmanuel Osagiede and Kenny Giwa-Osagie visited Toronto in an attempt to kick start the branch, it also did not result in a branch of ICCOBA.

In 2018, an ICCOBITE from London, UK, Mr. Ejiro Matthew Akpede came TO Toronto, Canada on a private visit. Friends were invited to host him at The Suya Spot on Weston Road, North York, Toronto. ICCOBITES present were:

1. Teddyson Iyonmana
2. Ogulogu Obaide Esq
3. Blessing Ehanire
4. Esosa Lawani
5. Efosa Kayode-Iyasere

It was agreed that there is a need for ICCOBITES in Toronto and Canada to meet, despite previous unsuccessful attempts. It was also agreed that a WhatsApp Forum be created for the purpose. Ogulogu Obaide Esq was asked to create the forum and be the contact person. The WhatsApp Forum was created on 1st January 2019. We started reaching out to other ICCOBITES to populate the forum.

The breakthrough came, when the North America President, Sunday Uwumarogie visited Canada and requested to meet with ICCOBITES. The meeting was set and the venue was Benin Cafe. In attendance at the meeting, hosted by Chief C. Inneh were:

1. Babatope Atafo
2. Teddyson Iyonmana
3. Ogulogu Obaide Esq
4. Blessing Ehanire
5. Joseph Ogbebor
6. Ikponmwosa Nowamagbe
7. Chief C. Inneh
8. Omogiade Presley Aigbe
9. Tony Lawani
10. Fortune Odigie

11. Bonny Ibhawoh
12. Charles Braimoh
13. Sunday Uwumarogie
14. Eghe Oseki
15. Odion Erhabor
16. Dr. Victor Obasuyi
17. Iyayi Asemota

The North America President, urged members to come together to form a chapter and the ICCOBA CANADA CHAPTER was CREATED on the 23rd of June 2023. The new chapter elected the following as its first Executive Committee (Exco):

1. President - Babatope Atafo
2. Vice President - Teddyson Iyonmana
3. Secretary General - Ogulogu Obaide Esq
4. Asst. Secretary General - Blessing Ehanire
5. Treasurer - Joseph Ogbebor
6. Financial Secretary- Dr. Victor Obasuyi (Now Board of Trustee)
7. PRO/Director of Socials - Ikponmwosa Nowamagbe

The Chapter is registered with the Canadian authority as a Not for Profit Association, with the following Board of Trustees.

1. Chief C. Inneh -Chairman
2. Prof. Bonny Ibhawoh
3. Dr. Victor Obasuyi-Secretary
4. Pastor Gregory Odiase
5. Mr. Sylvester Oyibocho
6. Mr. Osak Uwubanmwen

We thank Chief C. O. Inneh for the role he is playing in bringing us together. We are grateful to be hosting this 7th ICCOBA North America Convention and thank the North America President and his Executive for the support. Thank you.
